Warehouse & Manufacturing Operation

Description

This hands-on position focuses on packing and shipping customer orders, servicing customer pick-ups, and light manufacturing & assembly duties.

Qualifications

No experience? We will provide on-the-job training and forklift certification.

Job Benefits

Competitive pay plus a generous benefits package, including a choice of health insurance plans (traditional co-pay or HSA with employer contributions), a 401(k) with company match, paid holidays, PTO, profit sharing, company paid lie and disability insurance and optional dental and vision coverage.
