

# Guthrie County 2026 MEDIA KIT

# Making Guthrie County better — one page at a time

We are once again pleased to bring our lifestyle publications to the residents and businesses of Guthrie County again. We continue to be thankful for the opportunity to offer these publications to you with effective and low-cost advertising options:

- **Lake Panorama Times** is a monthly lifestyle print and digital publication with 100% of its content focusing on local people, places and events of Lake Panorama. It is mailed for free to every property owner at the lake in the second week of each month and is also available for free at [www.lakepanoramatimes.com](http://www.lakepanoramatimes.com).

- **Guthrie Center Times** is a monthly print and digital lifestyle publication with 100% of its content focusing on local people, places and events of Guthrie Center, Adair and Casey. It is mailed for free to every residential and business address in those communities the third week of each month and is also available for free at [www.guthriecentertimes.com](http://www.guthriecentertimes.com).

- **Panora Times** is a monthly lifestyle print and digital publication with 100% of its content focusing on local people, places and events of Panora, Linden, Yale, Jamaica and Bagley. It is mailed for free to every residential and business address in those communities the fourth week of each month and is also available for free at [www.panoratimes.com](http://www.panoratimes.com).

- **The Times Vedette** is a twice-weekly digital news publication that is emailed and texted for free on Tuesdays and Fridays and is also available for free at [www.gctimesnews.com](http://www.gctimesnews.com).

In each of these publications, you will find stories on families, businesses, schools, churches, restaurants, real estate, community events and more. This content drives readership, and, ultimately, advertising results.

We are proving that locally owned, independent publishing companies can succeed in today's digital age. Having said that, we also offer the complete issues of these publications online for free at [www.gctimesnews.com](http://www.gctimesnews.com), and we market the publications via a network of digital components including email and social media.

We appreciate the opportunity to offer our publications and to make your business, and Guthrie County, better — one page at a time.
